Facial/Peel Special...BOGO 25% Off

Facials aren't just a luxury, they're an incredibly effective way to transform your skin. For aging skin you can increase elasticity and minimize fine lines, or for acne prone skin you can treat blemishes and refine the appearance of your pores. One of the reasons why facials are so effective is because they incorporate products only available to licensed and trained professionals. On average, getting a facial every four to six weeks can help keep your skin balanced and healthy. To help you with your skin goals we are offering the following special.

Book any 60-90 minute Facial and receive 2nd facial or peel at 25% off when you book within 6 weeks!

We always have Indulge Spa Gift Cards...the perfect addition to her/his Valentines Day card!
