If I am unable to keep my appointment, I will notify Indulge Spa immediately. Indulge Spa requires advance notice for appointment changes/cancellations – 24 hours for single appointments, and 48 hours for groups, packages, and off-site appointments. Unless a call is received before the required time, 50% of the service price will be charged as a cancellation fee. In the event of a no show, a 100% fee will be charged. A service charge will be posted to the card number noted at the time the service was reserved.

If I experience pain or discomfort during my service, I will immediately communicate that with my therapist so that my service can be adjusted. I understand that any spa services do not replace primary medical care. I will continue to work concurrently with my primary care provider for any condition I may have.

During the course of services, I agree to update my therapist with any changes in my health status.

I understand that aestheticians, massage therapists, and manicurists do not diagnose illness, disease, nor physical or mental disorders, nor do they prescribe medical treatments, pharmaceuticals, or perform spinal manipulations. I acknowledge that spa services are not a substitute for medical examination or diagnosis, and that it is recommended I see a primary health care provide.

It is my informed choice to receive spa services. I have completed this form to the best of my knowledge. I have stated all medical conditions which I am aware of, and I will update Indulge Spa of any changes to my health status. I understand that any illicit or sexually suggestive behavior, remarks or advances made by me will result in immediate termination of the session and I will be liable for payment of the scheduled service.
